Reviews of the Cam Jansen: The Mystery of the Television Dog #4 by Susanna Natti, David A. Adler

Cerar

My son is reading 2nd grade level but isn't really interested in books. I got him a few cam books and he loves them! The chapters are short. He loves the characters and the mysteries. I remember loving them as a little girl too.

MEGA FREEDY

My daughter has not yet received this book... At six, she still prefers the Young Cam Jansen books because of the colorful pictures...but she loves dogs. Cam Jansen...dogs...dogs...Cam Jansen... I know it's going to be a hit so I have it for when she's ready to move on to a not-so-young Cam Jansen ;)

Saberblade

Love Cam Jansen and dogs perfect book! Really good for the third grade level. Keeps your interest with clues throughout the book.

Cenneel

This was a perfect gift for my daughter. She loves Cam Jansen and likes that she can read them all by herself even at 6 years old.
