A long-awaited celebration In preparation for their wedding day, Dayne Matthews and Katy Hart are determined to keep the ceremony a secret from the paparazzi. Their relationship grows closer and stronger as they plan together, but before the wedding, Katy and Dayne face what may be their greatest challenge. Is it possible for Katy to find a place in Dayne's world? Or could the pressures of fame rip away everything they've fought to find together? A renewed hope John Baxter is thrilled that his oldest son will settle down a few miles away, but he isn't sure how any of his kids will handle a situation he can no longer run from - the feelings he's having for his friend Elaine. Amid wedding plans and other family news, John feels the hope of a breathtaking sunrise for the first time since Elizabeth's death. A terrible tragedy Meanwhile, the Flanigan family is struggling with their young boarder, Cody Coleman, the star receiver on Jim Flanigan's football team. After an alcohol overdose, Cody fights for his life. Only God's grace and a miracle can bring him back from the brink of death - and bring Jim's distraught team together again.

Reviews of the [Sunrise \(Sunrise Series-Baxter 3, Book 1\)](#) by Sandra Burr, Karen Kingsbury

Abuseyourdna

Karen Kingsbury used to be one of my favorite authors. This series was one of her last really well strong ones. I hate how she has changed as an author and is unwilling to listen to her fans. BUT if you want a good Karen Kingsbury book read everything that was written BEFORE the Above the Line and Bailey Flanigan Series. Anything with the Baxters are amazing.

Adoraris

This is the first book of a series of this family. I enjoyed the story however, I personally did not like it as much as Karen's stand alone books. This is just a personal opinion. The book kept my interest and was a Christian story.

Qag

My wife loves these books.

Helldor

Can't rave enough about this book, series, and author! Every book draws me into these wonderfully developed characters, I can't wait to read more.

Munigrinn

I continue to learn so much from your characters. That was the most beautiful wedding I've ever read about. This family is incredible. It saddens me that mine was so unlike it. I can't wait to see what comes next and see John find love with Elaine. I know that he's not replacing Elizabeth. I've been there, but God wants him to go on and be happy. Bless you for all you've taught me.

Adoranin

Prayer is something that I was reminded of in Sunrise. I have used the story lines and lessons by this prayerful family in my own life. God put these books in my way for a reason and I have been giving more to prayer and Him in my daily life. The most important lesson from all of Karens books have deeply moved me to pray in all areas always. God is so good and I am so grateful He loves me like He does.

Lli

Karen Kingsbury really knows how to pull you right into the story. You feel like the characters are friends you really know and can't wait to find out what is going to happen next.

If you read the Mitford series and know how involved you became in the lives of Father Tim et al, you will appreciate getting to know the Baxter's. Can't wait to read "Summer".

I hate knowing this series is going to end in just a couple more books. Keep up the good writing and giving us life lessons, Karen.

These books are fun and inspiring. They help us deal with the tough decisions in life when we choose to walk as a Christian, The books deal with issues facing people today including abortion and the consequences of making wrong decisions,
